

Dear [Student],

As you probably heard, Governor Cuomo has shut down indoor dining in NYC starting Monday, December 14th, which includes our dining halls. We will continue to offer takeout food options which you can eat outside or in open lounges, open classrooms, common spaces, and of course in your room. Wherever you may eat, please observe all social distancing guidelines and eat at least 6 feet away from others, and please also properly dispose of your garbage. We will provide the details regarding campus Shabbat meals later this week.

Important reminder- the deadline to confirm your space in housing for the Spring semester is tomorrow, Monday at 3:00pm. If you have not yet signed up for spring housing, please do so ASAP.

Thank you.
